

It has come to our attention that a scam may be circulating using the St. Joseph's Home Care name.

A person or company claiming to represent St. Joseph's Home Care has been emailing recruitment messages in the Philippines.

**They DO NOT represent St. Joseph's Home Care.**

The company is requiring a payment for training that they claim is being provided by St. Joseph's Home Care.

**Do not send money.** We suspect this is a scam and their actions are fraudulent and illegal.
