

Nursing

St. Joseph's Home Care nurses are health care professionals who offer one-on-one care to our clients and their families at the time when it is most needed.

Services include:

- Administering medication including prescribed injections
- Changing dressings
- Advanced foot care
- Intravenous therapy
- Pain and symptom management
- Chronic disease management and therapy
- Serious injury care

Mission Statement

Living the Legacy - Compassionate Care.
Faith. Discovery.

Vision

On behalf of those we are privileged to serve, we will: deliver an integrated high quality care experience, pursue and share knowledge, respect our rich diversity, always remaining faithful to our Roman Catholic values and traditions.

Values

We commit ourselves to demonstrate in all that we undertake, the vision and values that inspired our Founders, the Sisters of St. Joseph. These are: **Dignity, Respect, Service, Justice, Responsibility and Enquiry.**

St. Joseph's
Home Care

Home Support Services

A trusted and proven
name in home care
since 1921.

Professional. Personal. Reliable Care.

Companionship Services

Our knowledgeable and trustworthy companions can assist you or your loved one with day-to-day activities and help to provide reassurance and security.

- Hobbies (walking, reading, games, etc.)
- Light meal preparation
- Accompany to appointments and social events
- Light household chores

Personal Support Services

Our services include:

- Assistance with personal care—hygiene, toileting, and grooming
- Medication reminders
- Meal planning and preparation
- Caregiver relief
- Physical activity and mental stimulation

“Extremely satisfied! I have recommended St. Joseph’s Home Care to others and will continue doing so, because I know they will be just as satisfied with St. Joseph’s Home Care staff as I am.” —SJHC client testimonial

Home Support

SJHC offers Housekeeping and Home Maintenance services to assist individuals with routine household activities and home maintenance. Services include:

- Vacuuming, dusting
- Cleaning bathrooms and kitchen
- Laundry and changing bed linen
- Heavy cleaning— including fridge, stove
- Organizing closets
- Outdoor work, including snow removal and lawn care

Hospital to Home Program

Our program includes:

- Accompany from hospital to home including stops on the way home for groceries and prescriptions if required
- Help getting settled comfortably
- Communication with concerned family/ friends informing them that the client is safe at home

Respite Care – First Place

The First Place Assisted Living Facility provides planned or emergency respite care to individuals who require short-term care that would include daily meals, 24 hour support care, housekeeping and medication monitoring. This is provided in a private suite.

Safety at Home Program

Our focus is to prevent falls through education and increasing awareness about support that is available.

- Free individualized home assessment
- Summary of recommendations promoting safety
- Tips and educational material to prevent falls and injuries
- Parts and equipment (ie. Installation of grab bars)
