

To our St. Joseph's Home Care Personal Support Workers,

In honour of PSW day, celebrated annually on May 19<sup>th</sup>, we want to express our most sincere appreciation for your commitment in providing care to your clients, and in supporting your colleagues.

Throughout the COVID-19 Pandemic, many of you worked overtime, picked up extra shifts and went above and beyond to ensure that your clients received care, and that your team members were safe and well supported.

You truly live the mission, vision and values of St. Joseph's Home Care!

On this day, please take a moment to reflect on the importance of your work and the positive impact it has on the lives of others.

Warmest regards,
